

Indie Camper

Our Indie Camper - short for “independent” - is a bit different for Escape. While not technically a campervan, we love the Indie Camper because it has the luxuries of an RV while still allowing you the freedom to get off the beaten path. It’s still easy to maneuver, includes our unique artwork, and comes fully-equipped with everything you need to hit the road... including a shower & toilet!

Available in: Los Angeles, Las Vegas, San Francisco, Vancouver, Calgary. Unavailable in Canada for trips starting Oct 1, 2019. **Not bookable for 2020.**
